2. CHAIRMAN'S MESSAGE

On behalf of LUMA WELFARE, I welcome every member, partner and community supporter who believes in the value of standing together.

LUMA WELFARE began in Kitengela in 2021 with a vision of creating a community where people can support one another through difficult moments. Our journey has taught us that welfare is not simply about contributions; it is about responsibility, compassion, trust and service.

Our Mission of Mercy calls us to remember the vulnerable, support families, encourage education, care about children and respond responsibly when people need help.

As we move forward, our commitment is to strengthen our systems, protect member trust, maintain accountability and build a welfare organization whose impact reaches beyond its membership.

— BOSS WILLIAMS
Chairman, LUMA WELFARE

3. HISTORY & FIVE-YEAR JOURNEY

LUMA WELFARE was founded and created in Kitengela in 2021 under the leadership of Chairman BOSS WILLIAMS. It was built around the belief that people should not face difficult moments alone.

The LUMA WELFARE vision was established in Kitengela. The first priority was creating a community-centered welfare concept based on unity and mutual support.

2022 — Building Trust

The organization focused on strengthening its welfare foundation, member responsibility and trust.

2023 — Developing the Vision

The welfare concept continued to develop, with a broader view of community support and the Mission of Mercy.

2024 — Strengthening the Community

Attention continued toward stronger organization, community participation and welfare support.

2025-2026 — Five Years of LUMA

The five-year milestone represents commitment, learning, compassion, service and the continued effort to stand with people and communities.

Five years is not the end of the LUMA journey. It is a foundation for the next stage of responsible growth.
