

LUMA WELFARE

OUR STORY • ABOUT US

Welcome to LUMA Welfare

At **LUMA Welfare**, we believe that life is better when we face its challenges together.

Every family experiences moments when financial support is needed most — whether it is during a bereavement, a medical challenge, education needs, business plans, farming activities, or other important moments in life. We created LUMA Welfare to bring people together through a structured, affordable, and member-focused welfare system.

Our vision is simple: **to build a community where members support one another, plan for the future, and have access to meaningful welfare opportunities when they need them.**

Why LUMA Welfare?

LUMA Welfare is built around the principle of **“Together We Are Stronger.”**

We believe that small, consistent contributions from members can create a stronger support system for individuals and families. Our programs are designed to help registered members prepare for different needs while encouraging financial discipline, unity, responsibility, and mutual support.

Accountability: We aim to manage member contributions responsibly and maintain proper records.

Fairness: Support and benefits are provided according to the official rules and eligibility requirements of each program.

Community: We encourage members to support one another and build a stronger welfare community.
